Booking conditions for set price menus or exclusive use of the restaurant

1. Set price menus are only available for a minimum of 20 persons
2. We will provide a pre-order form for your use so that each guest can indicate his or her meal selection in advance. This will reduce waiting time on the day of the event.
3. The pre-order form should be returned to us at least three working days ahead of the booking date.
4. When the booking is confirmed a deposit equivalent to \$5.00 per person is payable immediately.
5. There is to be only one account in respect of group bookings and payment shall be made on the date of the booking either by cheque, cash or credit card.
6. The final invoice will be based upon the number of meals ordered on the pre-order form [i.e. if 20 meals are ordered but only 17 guests arrive, the account will be for the 20 meals which had been ordered.]
7. Exclusive use of the restaurant will only be accorded in consultation with the owners.
8. We need to be advised in advance if alcohol ordered by your guests is to be paid for individually or charged to the account holder for settlement with the meal cost.
9. Companies requiring to pay against an invoice must notify us in advance. There will be an additional administration fee for invoiced accounts.

The act of confirming a group booking against a set price menu indicates your acceptance of the above conditions
